

**In the Claims**

This listing of claims will replace all prior versions, and listings, of claims in the application:

1. (previously amended) A cutting tool for woodworking-type applications which involve occasional exposure to ferrous materials, comprising:
  - a carrier body; and
  - one or more cutting tips comprising cubic boron nitride, and being attached to said carrier body;
  - wherein said cutting tips, as attached to said carrier body, define positive respective hook angles of 5 degrees or greater.
2. (original) The tool of claim 1, wherein each said cutting tip is a layered combination of cubic boron nitride and tungsten carbide.
3. (cancelled)
4. (original) The tool of claim 1, wherein said carrier body is steel.
5. (original) The tool of claim 1, wherein said carrier body is a circular saw blade, and at least ten of said cutting tips are attached thereto.
6. (original) The tool of claim 1, wherein said carrier body and said cutting tips jointly define a circular saw blade.

**BEST AVAILABLE COPY**

7. (original) The tool of claim 1, wherein said carrier body and said cutting tips jointly define a cutter for a woodworking shaper.
8. (original) The tool of claim 1, wherein said carrier body and said cutting tips jointly define a router bit.
9. (original) The tool of claim 1, wherein said carrier body and said cutting tips jointly define a milling cutter.
10. (previously amended) A method of fabricating a woodworking tool for occasional exposure to ferrous materials, comprising the actions of:
- attaching one or more cutting tips, comprising cubic boron nitride, to a carrier body; and
  - grinding said cutting tips using machinery, geometries and tooling suitable for grinding tungsten carbide cutting tips, but with a slower feed rate.
11. (original) A woodworking tool fabricated by the method of claim 10.

#### Remarks

Claims 1, 2, and 4-11 are pending in the present application. No claims are amended. The rejection of the claims is respectfully traversed, as described below. Favorable reconsideration of the claims is respectfully requested.
